

Technical Assistance: School Partners: Partnering With VLACS For ELOs

Why become partner trained? [Here is the link to sign up!](#)

- Access to monitor your students' progress and manage high numbers
- Stronger understanding of use of our offerings
- Familiarity with competencies and assessments
- Receive additional support from our School Partnership Division

Why partner with VLACS on ELOs?:

- Your school may not provide one of our many offerings
- Your student may benefit from a certified instructor in an area that perhaps they didn't otherwise have access to
- Allows for equity of opportunity not restricted by geographic location
- Can substantiate improvements or desired changes in your school
- We perform the safety checks on outside experts/mentors

How to use VLACS in conjunction with your own school offerings?

- Complete VLACS offering/credit bearing competency group and then VLACS awards credit on VLACS transcript which is transferred to brick and mortar school who determines that this completes ELO expectations
- Complete VLACS offering/credit bearing competency group and then VLACS awards credit on VLACS transcript which is transferred to brick and mortar school who determines that this is used as part of a combination or hybrid with additional brick and mortar in-house offerings to complete ELO expectations for credit
- Complete VLACS competency as a competency only and not as a credit bearing competency group which is then transferred back to brick and mortar school to be used as part of a combination or hybrid with additional brick and mortar in-house competencies/offerings to complete ELO expectations for credit.
