

This is Brittany.

With NH Needs Caregivers!, Brittany can discover what it takes to start a career in healthcare – at no cost!

Brittany is the middle child of three and has lived with her family in New Hampshire her entire life.

Brittany's unsure of what she wants to do after high school, but she's eager to graduate and get to work.

Her short-term plans are to find a full-time job and to move out on her own while she figures out what she wants to do.

This is Camila.

With NH Needs Caregivers!, Camila can discover what it takes to start a career in healthcare – at no cost!

Camila is the eldest of a large family.

After school, Camila works in retail and helps her mom with her younger brother and sisters.

Camila is a going to be a high school senior, but she finds she doesn't enjoy school much.

She wants to learn things that will have a direct impact on her life outside of the classroom and her future.

This is Azi.

With NH Needs Caregivers!, Azi can discover what it takes to start a career in healthcare – at no cost!

Azi's parents moved to the United States when he was very young.

His father owns his own business and works long hours while his mother cares for his little sisters.

Family comes first for Azi. So, he works part-time with his father.

As the eldest child and only son, Azi wants to care for his parents when they're older, but he also wants to chart his own career path outside of his father's shop.
